Prayer Request – When prayers are requested, we ask that we are informed of the relationship of the person with our congregation.

There has been concerns about names on prayer list & who they are. We will add the relationship to the prayers. This will allow members to ask about the individual's progress in recovery. In an effort to manage the list more effectively, individuals will be placed on the list for a period of four weeks. If at the end of that time, those people still need additional prayers, they may be re-added to the list for another four-week term. This may be done as long as the individual continues to need the added strength of the church prayer for their special need.
