- The nomination forms for the President of the Central Illinois District were completed and signed by the church Chairman, Secretary, and Pastor Frazee and sent to the District for processing.

New Business:

Organ Repairs:

A discussion was held on the state of repair for the church's old organ. It was noted that it is a beautiful, historic organ, and an effort should be made to keep it in repair. The builders of the church at great effort and expense installed this unique organ, and it would be a shame to let it waste away.

In previous voter's meetings, it had been discussed to get the organ back into better working order prior to the church's anniversary in 2017. Scott Gercken has donated his mileage reimbursement toward this effort. So there are funds earmarked for this project in the church's organ fund.

A discussion was also held concerning the expense of fixing the organ. Since we do not know what is required to bring the organ back to working order. A motion was made to investigate it further, seconded, and approved.

A call will be made to get an estimate of the repairs to the organ.

Pastoral Convention:

A Pastoral Convention is to be held July 5th through the 7th. Pastor is seeking a delegate from the congregation that would like to accompany him to the convention.

Special Collections:

The following special collections were submitted for the first quarter:
